

Kristin Dwyer has spent the past twenty-five years working with children in a variety of capacities from youth groups, to classrooms, to homeschooling, to tutoring. She holds a Master's degree in Education as well as two Montessori teacher certifications for Elementary and Secondary. While she is trained in the highly successful, multi-sensory, Orton Gillingham approach, she also incorporates strategies, games and methodologies that are most effective with younger children particularly when there are negative feelings about reading and writing to be overcome.
