Description								
<p>This course is described as an honors course in Economics. I will use the Economics in a Box curriculum which includes access to online resources. A partial list of topics covered are:</p> <ul style="list-style-type: none"> * How a market economy works and why it is superior to other economic forms. * The value of trade and why tariffs are ill-advised * Market prices directing the actions of buyers and sellers, market equilibrium. * The economic role of private property rights. * Why some nations prosper and others stagnate. * Inflation and its harmful effects. * Keys to personal finance success. 								
Homework / Expectations / Other Info								
Students should plan on about an hour per day on reading, online videos and class assignments.								

*Materials Fees and Instructor Fees are per semester unless otherwise indicated in the Other Information.

* Credit Hours: COVE does not issue high school credits. These are suggested credit hours to be assigned by the parents. Suggested grade is given by teachers. Final grade assignment is the responsibility of the parent.
