Required Materials (To Be Supplied by Family)								
Apologia's Exploring Creation with General Science, 2nd Ed. By J. Wile (tests and solution guide is not necessary) ISBN: 978-1-932012-86-6 OR Christian Book.com's number - WW238409. Purchase your text before the start of class. Each student will need a 1 & 1/2" or 2" ~ 3-ring binder with pockets, four dividers for homework and class notes to store for the year, at least two pencils with good erasers and two pens.								
Description								
<p>This course is designed to be a two semester class and a student's first systematic introduction to the sciences. The text offers a broad overview of :</p> <p>history of science, scientific method, designing experiments, simple machines, archaeology, geology, paleontology, biology, human anatomy and physiology.</p> <p>Students need to be able to print or write legibly or to type and print their answers to study guide, on your own questions and tests. Experiments are typically done twice a month, sometimes weekly. Supplies are included in the material fee. By the end of the class students should be able to complete a experiment write up without assistance (one will be assigned the end of 2nd Semester)</p> <p>** Note: One 2 minute presentation (very simple) is required at the end of the 1st semester.</p>								
Homework / Expectations / Other Info								
Students should expect 3 - 5 hours of homework a week which includes 15 - 25 pages of reading, module study guides and take home tests to be completed and returned to the teacher for grading.								
*Materials Fees and Instructor Fees are per semester unless otherwise indicated in the Other Information.								
* Credit Hours: COVE does not issue middle school credits. These are suggested credit hours to be assigned by the parents. Suggested grade is given by teachers. Final grade assignment is the responsibility of the parent. *contact teacher for students above the count of 10
