Description								
<p>The thought of teaching algebra sends most moms running for the hills, but fear no more. Using the time tested BJ Press material, Algebra I picks up where Pre-algebra leaves off in further developing an understanding of algebra by justifying methods and explaining how to solve problems. Concepts discussed include graphing, solving systems of equations, operations with polynomials and radicals, factoring polynomials, solving rational equations, and graphing quadratic functions.</p>								
Homework / Expectations / Other Info								
<p>Students will be expected to complete homework assignments at home. Tests/exams will be administered in class. Students can expect approximately 5-6 hours of homework a week.</p>								

\*Materials Fees and Instructor Fees are per semester unless otherwise indicated in the Other Information.

\* Credit Hours: COVE does not issue high school credits. These are suggested credit hours to be assigned by the parents. Suggested grade is given by teachers. Final grade assignment is the responsibility of the parent.
