<p>This course will use the Dave Ramsey high school education curriculum designed for homeschooled students. This course will be similar in nature to the Financial Peace University course geared towards adults. The financial concepts in this course will provide a foundation for a successful financial future using biblical truths, where applicable. It's all about controlling your finances rather than your finances controlling you.</p> <p>Many of the concepts covered in this course are similar to those found in a Consumer Math course.</p>
