Pre-Requisites							2nd semester: New Students?	
none							Yes	
Required Materials (To Be Supplied by Family)								
All materials will be provided by the instructor								
Description								
This is a transitional class from elementary science into middle school science with a focus on learning the scientific method. Each week students will focus on one scientific discipline and complete a lab. Students will be taught how to write a lab report and how to conduct themselves in a lab setting.								
Homework / Expectations / Other Info								
If students do not complete the formal lab conclusion at home, they will need to finish it at home. There will also be optional reading exercises that can be completed at home as well.								

*Materials Fees and Instructor Fees are per semester unless otherwise indicated in the Other Information.

* Credit Hours: COVE does not issue high school credits. These are suggested credit hours to be assigned by the parents. Suggested grade is given by teachers. Final grade assignment is the responsibility of the parent.
