<p>In this class our youngest learners will discover our fascinating world history through stories, hands on activities, crafts, and games. Each family will read the week's story at home before class. In class we'll review and play with the material they've heard, then do a short copywork lesson and picture to illustrate the lesson. The copywork and other activities will go into their <i>Story of the World</i> binder for them to keep.</p> <p>Parents are welcome to add pages from the Story of the World Activity Book to the binder and do other lesson activities at home to enhance our class time.</p>
