Description								
<p>This HS Spanish I. course will include an introduction to grammar, verb conjugation, and vocabulary. There will be an emphasis on daily study in order to memorize the grammar rules which differ from English as well as the verb conjugations. We will use the KJV of the Spanish Bible to memorize verses and there will be one worship song introduced each month to enable students to memorize words to music. Students need to bring a notebook, pencil, paper, and a Spanish-English dictionary the first day of class. The Spanish Bible is available online and on many phone apps for free, but the purchase of one is not frowned upon if a student prefers to own one.</p>
