Exploring Creation with Human Anatomy and Physiology by Jeannie Fulbright								
Description								
Welcome to Exploring Creation with Human Anatomy and Physiology. This unique course explores the human body using engaging experiments and activities. As all of my previous classes this will be a lapbook class.								
Homework / Expectations / Other Info								
Your student will need to read a half a chapter a week. Every other week I will send a puzzle of some sort to be completed.								

*Materials Fees and Instructor Fees are per semester unless otherwise indicated in the Other Information. Materials fee is non-refundable.

* Credit Hours: COVE does not issue high school credits. These are suggested credit hours to be assigned by the parents. Suggested grade is given by teachers. Final grade assignment is the responsibility of the parent.
