Required Materials (To Be Supplied by Family)								
Exploring Creation with Zoology 2: Swimming Creatures of the Fifth Day by Jeannie K. Fulbright								
Description								
Welcome to the world of swimming creatures. Our class will take us on a journey through the oceans, rivers, lakes, and streams of the world to discover many of the fascinating and exotic creatures God created on the fifth day. In the first semester we will also be learning about ocean currents, tides, fresh water facts and all about the continental shelf. Like all of my previous classes, this will be a lapbook class.								
Homework / Expectations / Other Info								
Your student is required to read half a chapter a week of the book. Also every other week I will be sending home some sort of puzzle or coloring page to be completed.								

*Materials Fees and Instructor Fees are per semester unless otherwise indicated in the Other Information. Materials fee is non-refundable.

* Credit Hours: COVE does not issue high school credits. These are suggested credit hours to be assigned by the parents. Suggested grade is given by teachers. Final grade assignment is the responsibility of the parent.
