Text book: Total Health: Choices For A Winning Lifestyle (High School Edition) by Susan Boe								
Description								
<p>This curriculum for high school students is designed to provide students with a thorough understanding of all important physical, mental and social health issues. Written directly to teens from a caring and friendly perspective, Total Health presents a moral basis for a healthy lifestyle based upon scriptural principles. Anatomy, body systems, food choices. In each class we will discuss healthy life-style choices from a Christian perspective. We will also spend the semester reading and discussing dating/relationship issues. This book will be purchased by the instructor and given to students on the first day of class. (TBD)</p>								
Homework / Expectations / Other Info								
<p>Students will be required to read a chapter a week (around 10 pages) in the text book plus a chapter in the dating/relationship book. There will be no tests, however written homework/projects will be assigned weekly.</p>								

\*Class Fees and Instructor Fees are per semester unless otherwise indicated in the Other Information. Class fees are non-refundable.

\* Credit Hours: COVE does not issue high school credits. These are suggested credit hours to be assigned by the parents. Suggested grade is given by teachers. Final grade assignment is the responsibility of the parent.
